## DRYS FAVORED IN COMPLETE SURVEY OF NOV. ELECTION

ILLINOIS STRAW VOTE HELD TO INDICATE LITTLE.

## CALIFORNIA DRY Shifting Bloc in Congress Will Wait to See Which Way Cat Jumps

By DAVID LAWRENCE Copyright, 1922, by Janesville Daily Gazette.

Washington—There are any hope for beer and light liquor. But the last week's election held the "wets" or the "drys" and when the next move on either side is expected and what will come of it?

These questions have been asked a thousand times since the two national organizations fighting for and against prohibition began their series of conflicting claims.

The truth lies between the two as usual. Each side can present convincing figures to show that congress is still dry or will be wet as the case may be.

But when one finds each side claiming some of the same men as being wet and dry and when the doubtful or non-voting group is examined and when some of the wavering ones are canvassed, the conclusions are not far off.

After permitting the Anti-Saloon League for several years past, the National Association Opposed to Prohibition is trying to parallel the work of the Anti-Saloon League can show that the wet votes in their respective districts will be sufficient to elect these members next time.

In other words, there are scores of members of congress who have voted "dry" who will be tempted to switch to the other side if the National Association Opposed to Prohibition is able to parallel the work of the Anti-Saloon League can show that the wet votes in their respective districts will be sufficient to elect these members next time.

The fact has become more intensive. After permitting the Anti-Saloon League for several years past, the National Association Opposed to Prohibition is trying to parallel the work of the Anti-Saloon League can show that the wet votes in their respective districts will be sufficient to elect these members next time.

Deer Hunter, Shot in Stomach, Walks Miles to Station

Iron Mountain, Mich. — Walking seven miles to a railroad station where he boarded a train for Iron Mountain, Mich., a deer hunter named Walter J. Walcott, who was shot through the stomach by a bullet fired from a Remington-Union gun, is in a local hospital and doctors say he will recover.

Board of Control Budget Increased

Madison — The state board of control, operating 17 charitable and penal institutions in Wisconsin, submitted its biennial financial budget Wednesday, calling for estimated total expenditures of \$3,995,932 for the year period of 1923-24 and 1924-25. This represents an increase of several hundred thousand dollars over expenditures for the last two years.

Big Liquor Store Taken in Madison

Madison — Madison police, in an early morning raid on the city, seized a large stock of liquor, valued at \$10,000, from a store in the city. The store was owned by a man named John J. Smith, who was arrested and charged with selling liquor without a license.

## 6 County Banks Get County Funds

Putting in a bid of 4.37 per cent interest on the usual terms, with provisions for bond protection, six banks of Rock county have made county depositories through a resolution passed by the Rock county board Wednesday.

For the last two years the entire county funds have been placed in one bank and the contract this year marks a policy of the board to distribute the county money around the county.

Although there was no question as to the high bidder, an attempt was made by Supervisor M. P. Richardson to get through a resolution binding the county to make at least two banks depositories before the bids were opened. An argument followed and the resolution was withdrawn.

Here Are Depositories The combination of banks making the high bids and the per cent each will take of the county money, which amounts to more than \$500,000, is as follows:

Bank of Evansville, 20 per cent 4.37 Farmers and Merchants bank, Orfordville, 10 per cent 4.37 State Bank of Footville, 10 per cent 4.37 Citizens Bank, Clinton, 10 per cent 4.37 Farmers Bank, Milton, 10 per cent 4.37 Rock county National bank, Janesville, 10 per cent 4.37

The next highest bid was made by the Bank of Southern Wisconsin, Janesville, depository for the last two years, offering 4.95 per cent for the entire amount.

OTHER BIDS RECEIVED The other bids received were as follows: Bowler City, Janesville, all 3 per cent First National, Janesville, all 3 per cent Merchant and Savings, Janesville, all 3 per cent

First National, Janesville, all 3 per cent State Bank, Beloit, all 3 per cent First National, Edgerton, \$50,000 3 per cent

## BRITAIN ADVANCES ON POLLS TO NAME NEW PARLIAMENT

FEW VENTURE FORECAST AS TO RESULT OF ELECTION.

## LAW CONFIDENT Both New Premier and Lloyd George Oppose Socialist Platform of Labor.

London — The electorate of Great Britain swarmed to the polls by the millions Wednesday in England, Scotland, Wales and Ulster to elect the fourth parliament of the reign of King George V. The polls opened at 8 a. m. and as hour after hour the voters streamed into the polling stations, the new house of commons will have been elected.

No eleven-hour development has lessened the uncertainty of the vote. The few prophets who venture forecasts to strings to their predictions. It is, therefore, something of a surprise to the public that Premier Bonar Law, in his final speech at Glasgow Tuesday, declared his na- tional caution and declared he had "very considerable confidence" that the electors would give him a working majority on which he could depend.

He made it clear that he would be dissatisfied with anything less than an independent unionist majority. Experienced observers nowhere extend strong confidence in such a result, however.

At the last parliamentary elections it was estimated that only about 60 per cent of the electors went to the polls. On Tuesday, however, it was estimated that more than 80 per cent of the electors went to the polls. ## FRISCO PHYSICIAN CLAIMS DISCOVERY

Dr. Albert Abrams.

Dr. Albert Abrams, San Francisco, claims the discovery of an "electronic" theory of diagnosis and treatment. He declares he has devised apparatus sufficiently delicate to measure the vibrations in all matter and thus determine the health or disease of human tissue. He says he is able to determine age, past history, sex and physical condition of subject from a drop of blood.

## CORPORATION TAX YIELDS \$1,689,054

Unreported Incomes, Uncovered by Commission, Pay Big Returns.

Madison — Unreported income of Wisconsin corporations, amounting to \$2,296,100, has been uncovered by the state tax commission during the last year, resulting in assessment of additional income taxes of \$1,689,054.14 against the concerns involved.

The commission, headed by Judge Charles D. Ross, announced the results of its investigation of the regular state income tax, \$27,635.20 to the soldier, bonus fund; \$11,905.22 to the soldier's educational fund, and \$59,471.41 to the teachers' retirement and insurance fund, Judge Ross reported.

This amount of revenue was uncovered by an investigation of but 132 out of the 13,000 corporations doing business in the state.

It was pointed out by the tax commission, however, that due to operation of the personal property or set to the income tax, the repeal of which is asked by the tax commission nearly \$300,000 of additional tax would not be collected.

The Legion post will have a Thanksgiving remembrance service for all disabled men who can be located in hospitals Thanksgiving day. Service Officer, Col. J. J. Bayles was in charge.

Discussion of staging the second Legion show will be made at the next meeting. The commander is to appoint a committee to make arrangements for the annual meeting the last week in December when new officers will be elected.

A resolution of thanks was extended to the Ladies Auxiliary for the successful Armistice day celebration at Engle's hall. Val. Mott reported that the legion cleared expenses at the Armistice day novelty dance.

Harry S. Fox was accepted as a member of the local legion and Fay Patton will be transferred from the Evansville post. Talks were made by Messrs. William Ford, Barnes, Flaherty, and Waldman, fathers of legion boys who expressed their keen interest in the legion.

Adjutant John Gross advised that the American Legion weekly cannot be secured at the news stands. New American Legion chapters may be secured from him.

Refreshments are served.

## GERMAN CABINET, HEADED BY WIRTH, RESIGNS OFFICE

SOCIALISTS WITHDRAW SUPPORT FROM COALITION. RATHENAU MISSED Chancellor's Influence and Initiative Fade After Premier's Death.

Berlin — The German cabinet headed by Chancellor Wirth has fallen. The ministerial resignations, died Tuesday night, were precipitated by the decision of the united socialists not to participate in a coalition ministry which included members of the German people's party. But the friends of Chancellor Wirth were not oblivious of the feeling that he had outlived his usefulness and now has become a victim of a policy of indecision and inactivity, which found its culmination in the government's failure to make a practical arrangement with the allied reparations commission during the course of its recent visit.

No Initiative, Charge Foreign Minister Rathenau, the chancellor has been described as a man who apparently possessed no initiative. This attitude gave added weight to the assertion that the late foreign minister was Wirth's inspiration, and the force which urged him on. With the passing of Dr. Rathenau, the chancellor visibly lost influence with his cabinet colleagues.

As a result the support given his "policy of fulfillment" diminished day by day. He admitted the collapse of this policy last summer, when he announced the government's slogan had become "bread first, then reparations."

Foreign Criticism Harsh Foreign criticism of the alleged weakness of the cabinet, emanating from London as well as Berlin during the last few days, contributed to undermining the chancellor's position, even in the ranks of the coalition.

## The "Mother of Medicine"

Isis, the Queen and afterwards the Goddess, was called the "Mother of Medicine." In ancient Egypt, centuries before Christ, women were skilled in medicine. They knew the great value of medicinal plants.

Hippocrates, the "Father of Medicine," many centuries later, knew less of the merit of vegetable drugs than did the women of ancient times.

Lydia E. Pinkham, nearly fifty years ago, gave to women her Vegetable Compound, now known everywhere as Lydia E. Pinkham's Vegetable Compound. This is a woman's medicine for woman's ailments, prepared from medicinal plants.

## KIWANIS MINSTRELS

Carbed in striking and colorful costumes, stimulated by music of the swinging, swaying sort, laying down a barrage of brilliantly scintillating humor backed by securely harmonious to such occasional change, the Kiwanis Minstrels opened the season's performance at the Myers theater last night.

Not less interesting than the performance on the stage was the audience in the theater. Every seat downstairs was sold and all the first two rows in the balcony were taken for eight. Pink and yellow chrysanthemums decorated the table. At bridge following luncheon prizes were taken by Mrs. Earl White and Mrs. C. H. Traver.

Mrs. Harlow Hostess—Mrs. John Harlow, 404 North Washington street, entertained a club Tuesday afternoon. Bridge was played and dinner served at 6 p. m. A color scheme of red and green was carried out with ferns, roses, candles and nut baskets. Mrs. Al Knoff, Beloit, was among the guests. She will entertain the club in two weeks.

Entertained Tuesday—Evening—Mr. and Mrs. Robert Knuth entertained the Key Kickers club at their home on North Chatham street Tuesday evening. A delightful time was enjoyed at cards and in a social way. A buffet lunch was served. The next meeting of the club will be Nov. 28.

Missionary Women Meet—Mrs. Charles Beck, 303 Center avenue, entertained Group 5, Y. W. F. M. S. of Methodist church Tuesday night. It was voted to send a postal card shower to Miss Rick, missionary who is spending two weeks in California preparatory to sailing for China.

Stunts and contests were put on and prizes taken by Miss Georgia Holbrook in the bean contest, Miss Eva Townsend the word contest and Miss Emma Whitmore the speller prize. Mrs. Neal Tomlinson also took a prize.

Lunch was served at 10:30 the centerpiece for the table being a large white birthday cake with lighted candles. This was in honor of the birthdays of Mrs. Tomlinson, Mrs. Roy Townsend, Mrs. Robert Meek and Miss Eva Townsend. Each donated pennies according to their years for the missionary box.

F. R. A. Has Dance—Sixty couples attended the dancing party given in Eagles hall Tuesday night by the Fraternal Reserve Association, MacFarland's orchestra played.

75 at Loan Meet—Seventy-five women gathered at Congregational church Tuesday night for the regular monthly meeting of Loan Band. Supper was served at 6:15 with Mesdames H. H. Faust and H. J. Cunningham as hostesses. They were assisted in serving by Mesdames K. H. Hart, Roy and Fred Palmer.

The Misses Caroline Zeininger and Helen Taylor took charge of the program. Miss Taylor told of the voyage from Montreal to London on her recent trip abroad accompanied by Miss Zeininger. Interesting occurrences and sights in England, Belgium, France, Switzerland, Italy and Germany were related by Miss Taylor.

Miss Zeininger told of the presentation of the Passion Play at Oberammergau, where they were entertained in the home of one of the players who represented an apostle.

A vote was taken to send a mission box to a church in northern Wisconsin where the Rev. Mr. Milford is pastor. He attended the recent conference of the Congregational church held here.

is a review of a horse taken performance. He is contrasted by serious difficulties. His own personal opinion is that the way with the Kiwanis Minstrels. The first part was excellent, the girls were good to look at, far better in action and in voice, in fact, than in many a road show. The black face comedy was high class. Rex Jacobs and Bradley Conrad made for like the show. If he happened to be present Tuesday, he escaped early. So far he has not been located by the police. In less than ten days men and women who are untrained in stage performances other than as occasional amateurs, have been brought to the approximation of perfection which was exhibited Tuesday night. Sherry Ross Harvey—he was the man in the orchestra pit who kept his hands going and occasionally sang with the chorus—has been able to take the Kiwanis club and the score of young women with the members on the program, arrange and present a strikingly excellent musical and minstrel comedy attraction.

A new reporter was sent to a fire in a small town. When he came back to the editorial room he sat around doing nothing. "Here," said the city editor, "where is the fire story? Why," was the reply, "I didn't think you

wanted a story because everybody in town was there looking at the blaze." That's about the way with the Kiwanis Minstrels. a pair of Nubian comedians, in voice and manner, above the average of the professional. Art Schoof and Dr. Tom Snodgrass, as balladists, gave a touch of the artistic and classic. Helen Franklin, as usual, danced up to the Broadway demand. Mrs. Papke's husband wore out a pair of shoes answering to encores, and Dr. Earl Sartell in a difficult character, was the perfect sissy boy. Richard Sheard sang two Scotch songs in good voice.

The big thing about the whole show is the fact that it moves fast. It is almost perfect in delivery and every forward pass won a touchdown. Costuming added to the delight of the picture and each scene was synthetic in color.

It was explained to the audience before the performance that every dollar of receipts of the three nights would be devoted to the care of underprivileged children. No fees will be paid to physicians and surgeons—all that is voluntarily given—but for hospital care, splints, eye glasses, and other things needed to make the boys and girls who have been born or through accident, lack of care or disease, been handicapped in the very beginning of life, able to march along with the strong and healthy. This is

the work the Kiwanis will do with the funds raised by these performances.

There are tickets for Thursday night remaining—a few. This is the last call.

## Losing Weight?

It Stomach Is Gassy, Sour, Acid, With Belching, Heartburn and Frequent Stomach Distress.

Any number of thin people have great trouble with what they eat or drink and suffer with indigestion. The food does not seem to prepare itself to nourish the body. The stomach is in an acid condition and such people often complain of weakness, rheumatic pain, headache and a run down condition when what they need is the alkaline effect to overcome or neutralize this acid condition. A host of people have found that by chewing one or two of the large white tablets from a box of Sturges' Dyspepsia Tablets they get the alkaline effect, they then begin to pick up, take on firm flesh and eat whatever they like and feel fine. Get a 50 cent box of Sturges' Dyspepsia Tablets of any drugist and note the splendid results after using the plain, cheese, sausage and all the other tasty foods.

## Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good old Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation.

It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your fingertips. First you will feel a warm tingling as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness.

35c and 55c. In jars and tubes. Better than a mustard plaster.

## A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have.

Says Dr. Edwards, a Well-Known Ohio Physician.

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color. These tablets are wonder-workers on the liver and bowels, which cause a most acute and distressing condition of the waste and poisonous matter in one's system. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headache, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel now and then just to keep them fit, 15c and 30c.

## Why Grow Old Before Your Time?

It isn't years alone that make one old. Many folks are younger at 70 than others are at 50. A lame, bent back, stiff, aching joints, rheumatic pains, bad eyesight, and bladder irregularities are often due to kidney weakness and not advancing years. Don't let weak kidneys age you. Use Dodd's Kidney Pills. These have made life more comfortable for thousands of elderly folks. Ask your neighbor.

Here's a Janesville Case

Mrs. Mattie Elise Chatham St. says: "My kidneys acted irregularly and annoyed me very much. When I bent over, it was painful across my back, and through my kidneys, I felt about Dodd's Kidney Pills, so I sent to Smith's Pharmacy and got a box. After using Dodd's my kidneys were regulated and my back hasn't pained since."

## GRAIN

**Chicago Review.**  
Chicago—Notwithstanding a hesitant start, fresh strength quickly developed in the wheat market Wednesday. Active buyers on the part of houses with eastern connections were responsible for the upward swing of values. Uncertainty at the outset was associated more or less with news of the overture of the North American wheat in Germany. The opening, which varied from 1/2c to 1/4c up, followed by a moderate rise and then by a sharp general upturn to well above Tuesday's finish.

May delivery rose to the highest price yet this season, but the selling of 30,000 bushels of Dec. 1922 wheat and a tendency somewhat to check the advance. The prices, however, closed stronger than the previous day.

## CANCER KILLS 45 HERE IN 2 YEARS

Average Age at Death Is 64,  
Health Officer's Figures Show.

The chief object of National Cancer week, which started Monday, is to educate people concerning the facts of cancer, looking toward its prevention rather than its cure. Dr. Fred B. Welch, city health officer, has compiled a number of interesting statistics on cancer in this city, and hopes that a realization of the danger of this disease will urge people to take preventive measures.

"One of the facts concerning cancer which makes it so hard to combat," Dr. Welch said, "is that it causes little or no pain in its early stages and people let it go, thinking it just some little disturbance which will pass over."

"The ultimate control of this disease can only be accomplished by educating in each community the knowledge concerning it, and the conditions under which cancer is found. It is surprising how little knowledge the laity have about cancer, even though thousands of cases of cancer occur annually in this country. One woman in every 100 over the age of 40 dies of cancer."

"Certain definite symptoms are present every cancer case and are preceded at the early or precancer stage. If these symptoms were only heeded, many valuable lives would be saved. In the early diagnosis and removal of cancer lies the only hope of lasting cure."

Total deaths, January 1 to Nov. 1, in this city, were 153. Of these deaths, 45 were from cancer, divided as follows: of the stomach, 4; breast, 2; prostate, 4; uterus, 2; bowel, 1; and liver, pancreas, throat and bladder, one each. One was unknown as to whether it was cancer but was classified as such, making the 20.

Average Age, 64. In months, the deaths were divided as follows: Jan., 1; Feb., 4; March, 1; April, 1; May, 1; June, 1; July, 4; August, 2; September, 4; and October, 2. Two of these deaths Dr. Welch reported were suicidal, the disease warning the persons so that suicide was committed.

The average age, according to the report, was 64 years. Eleven of the 20 who died were males, the other nine females.

In the year 1921, 25 of the 267 deaths recorded were due to cancer in its various forms. The death rate then from this disease was about one in 100, or one from heart disease, which claimed 27.

"If cancer week will do anything toward educating the people to be more careful, to have themselves examined when there are the least symptoms of the disease, it will be well worth while," said Dr. Welch.
